CHILD ABUSE & NEGLECT I AND II

Program Description:
The Center on Child Abuse & Neglect (CCAN) in the Department of Pediatrics at the University of Oklahoma Health Sciences Center offers an 8 month program for advanced students in medicine, psychology, law, social work, dentistry, education, public health, sociology, nursing, and related disciplines. The program provides specialized training in administration, clinical practice, policy formulation, child advocacy, prevention, and research in the field of child abuse & neglect. This program is taught by OU Professors and Doctors Barbara Bonner and Tatiana Balachova, as well as OCU Adjunct Professor Michelle Harrington. More detailed information is available on the OU Health Sciences Center website.

Schedules and Requirements:
The academic year for the program is from August through April. Seminars are held on Tuesdays from 4:30 - 7:30 p.m. at the OU Child Study Center on the OU Health Sciences Center Campus in Oklahoma City. Students are required to attend weekly seminars, complete clinical practicum requirements, participate in a Mock Trial, and undertake a research project, policy analysis, or systems review. Please see the course descriptions for the prerequisites. Permission of the Associate Dean for Academic Affairs is required, as is a separate application. You can download the program application below.

Applications for the program must be turned in to the Academic Affairs Office in the Deans Suite.
