

TRANSFER OF CREDIT STATEMENT

No transfer credit will be given for any course in which a student earned a grade of C- or lower. No transfer credit will be given for any ungraded course (including any course graded on a pass/fail basis or satisfactory/unsatisfactory basis). The number of credits that will be accepted for transfer is the number of credits awarded by the other school, even if a similar course at Oklahoma City University School of Law is allotted a different number of credits. The Associate Dean for Academic Affairs will determine the number of transfer hours to be credited toward the degree and may establish a time for completion of degree requirements. The Associate Dean for Academic Affairs will also determine whether specific courses taken prior to transfer will satisfy Oklahoma City University School of Law required course requirements and what, if any, additional courses must be taken to satisfy the requirements for the J.D. (2013 Academic Handbook, page 25).
