OKLAHOMA CITY UNIVERSITY
SCHOOL OF LAW

Mandatory Technology Requirements for All Students

Effective Date: July 1, 2025

1. A laptop computer with a web camera and microphone

2. Stable internet access with a minimum required bandwidth of 1.5Mbps/1.5Mbps (up/down)

3. Exam Software Requirements:

   The Law School uses the Examplify test-taking software from ExamSoft, which is also used for the Oklahoma bar exam. Examplify will work on most modern laptop computers running standard versions of Windows 11 or the latest versions of macOS. Tablets, iPads, Chromebooks, phones, and other non-laptop devices do not work with Examplify. Students are not permitted to use these devices to take exams. Specific requirements are as follows:

   PC Users:
   - Supported Operating System: Three most recent versions of Windows 11
   - CPU Processor: Non ARM based processor
   - Examplify cannot run within virtualized environments

   Mac Users:
   - Supported Operating Systems: Three most recent versions of MacOS
   - CPU: Intel or M series processor
   - Examplify cannot run within virtualized environments
